

## Language, literacy, and communication

Please listen to the story of Joseph from Genesis chapters 37-50 by clicking on the link above. Now discuss the following questions with an adult.

1. Why did Joseph need to forgive his brothers?
2. What did Joseph do to show that he forgave his brothers?

## Expressive arts

[https://youtu.be/9MQOlv\\_Oyzs?list=RD9MQOlv\\_Oyzs](https://youtu.be/9MQOlv_Oyzs?list=RD9MQOlv_Oyzs)

Listen to the song of Jacob and Sons from the well-known musical of Joseph and his Technicolour Dreamcoat and see if you can identify the names of Joseph's brothers, you should have 11 names at the end. (Joseph would make 12)

This half term value is

## Forgiveness

The image below is of a dove that represents hope, churches and communities are making these and displaying them in different places. Please make, display, and tweet your dove and become part of this project. Your designs will also be shared next Thursday evening on school Twitter.

## Outdoor Learning

Sticking with the theme of multi colour as seen on Joseph's cloak, make a picture of Joseph's coat only using natural resources e.g use sticks for your outline and then decorate with coloured leaves or foliage. I am sure you will have some fantastic ideas. Let me know how you get on via Twitter

@MrsFrancis18

## Well-being

Measured measuring

Fill a jug or bottle with cold water and really focus on the flow of the water as you tip it into an empty bowl. Using some of your senses look at the water as it enters the bowl, consider if there is any smell, what can you hear, does the sound change as more water enters the bowl, what happens to the water if you alter the angle of the bottle as you tip it, what happens if you touch the water during mid flow. Have fun noticing the changes that occur.
