Purple Mash

Instructions for each task can be found on the following page and on the school website. Diolch.

www.stmarysciw.co.uk

Each day you should aim to:

Spend 30 minutes on **TT Rockstars** or **Numbots** (alternate days) - practice makes perfect!

There will be weekly Boys v Girls 'Battles' - results will be posted on Twitter - house points for the winners each week.

Spend 30 minutes reading a chapter using Serial Mash and answering the online quiz.

Spend time working your way through the other tasks.

Most importantly.

Look after your families, be kind and caring and helpful around the house!

Don't forget that you should be experts at times tables by now (from 2 to 12) - if not get practising! Videos on school website.

Purple Mash - Serial Mash (Reading)

Log into Purple Mash, Click on Serial Mash and then 'Sapphires'. Choose a book. Read one chapter at a time and take the online quiz for that chapter. Read at least one chapter a day. Once book complete repeat for another book. Keep working your way through the books in the Sapphire section.

Purple Mash - 2 Code (Coding)

Start with 'chimp' (for revision). Work your way through the tasks.

Complete: chimp, gibbon, gorilla and then the debugging challenges.

If stuck use the video icon (top right) for help.

Test Papers

In your pack there are 6 test papers (a mixture of reading, reasoning and procedural). This year we have studied the majority of the concepts that will appear in the procedural test. If there is something that you cannot do or haven't seen before use the internet to see if you can work out how to solve the problem (or remind you of how to do it!)

Start with Procedural 2017, then complete Reading 2016 followed by Reasoning 2017. Repeat for 2018. Aim to complete one every 5 days.

A list of useful websites is included in this pack. **Keep an eye on our class Twitter account @stmarysciw6 for the answers (every 5 days in the order posted above.)**

Independent Learning and Literacy Project

'Patagonia'. Use the following website <http://www.150patagonia.cymru/html/ks3/main/index.php> to help you create an explanation 'text' about Patagonia. Present your text using PowerPoint. Tip - use a slide for each 'topic' e.g. Establishing the Wladfa, wildlife, culture, food, sports, family. Pob Lwc!

Use the ILP guide to help you.

Each slide should be detailed and include titles, text and images. Perhaps you could embed some videos for that extra touch.

Hwb

Story Writing

Read the story hints sheet (included in this pack) carefully. Then use the story planning sheet to plan out your story.

You may wish to handwrite your story as a first draft so that you can edit and improve (just like in school). Get family members to give you feedback and help you to improve. Present final draft on Word (on your Hwb account) - include **WALT Write a detailed, descriptive and imaginative story.**

Lego Challenge

If you have Lego why not try the 30 day lego challenge? The challenge will be posted on @stmarysciw.co.uk

Tweet us with your creations using the #creativity No lego? Try each daily challenge using everyday items from around the house.
