

Home Learning Weekly Tasks

This week we will be completing:

- **MATHS – Assignment** plus ‘**Guardians: Defenders of Mathematica**’.
- **Independent Learning Project – Free choice.**
- **Diocese of Swansea and Brecon Task – set as assignment.**
- **QUIZ – PART 2 (See Assignments)**
- **J2 Blast – Spell Blast and Tt Blast.**
- **Welsh – Placemat revision.**

Have a great week, Thank you.

Maths – ‘Challenge Week’

Maths Questions for this week can be found as an Assignment on our Class Team.

Problem Solving and Reasoning

1) Choose your questions based on the maths group that you are in.

Note - If you are in **Blue** Group and find yourself struggling then answer the **Green** questions in order to build your confidence (if time you can have a look over the other questions at home at your own pace.)

2) Solve the problems using paper and pen/pencil - work out all of the answers.

3) Answers to the Problems will be posted at 12:00pm on Friday 10th July – you will be able to check your answers then – Pob Lwc!

Week Beginning Monday 6th July 2020

'GUARDIANS OF MATHEMATICA'

Click on the following link: <https://www.bbc.co.uk/bitesize/topics/zd2f7nb/articles/zn2y7nb>

Play the game. Use your maths skills to do battle and add as many riches to your character as possible!

INDEPENDENT LEARNING PROJECT (Free Choice)

After reading all the wonderful research projects completed by you throughout 'lockdown' I am interested to see what you choose for your final 'project'. You can choose any topic or subject that you like (appropriate for school) – make sure that you choose something or someone that interests you.

You may present your work however you wish – you could create a PowerPoint or Sway using all of the IT skills you have developed throughout the year, you could produce a book or a Word Processed document, you could create a video, you could use your favourite app to create a project, you could build a model or you could even draw a fact-file or poster.

The project is meant to be for you to enjoy. It will be set as an assignment and I ask that you 'hand in' once completed – either on the Class Team or bring it to school to share with the other pupils who are in on your day. You have until **15th July** so that you can receive feedback and share some of them during the last week.

Week Beginning Monday 6th July 2020

DIOCESE OF SWANSEA AND BRECON TASK

This year's Leavers Service will be virtual, on the diocese education YouTube channel. Recording started last week with the Archbishop and the Dean of Brecon Cathedral and they would like pupils to get involved if possible. There is an opportunity for pupils to share a short reflection about their time in a Church in Wales Primary School or a prayer.

Please see the Assignments section where there are instructions and where you can hand in your reflection or prayer.

QUIZ 2

A second Quiz can be found in the assignments section this week. This is longer and harder than last week – how will you do?

Scores will be added to the scores from last week as we search for a class winner!

J2 Blast (Spell Blast and Tt Blast)

Log into Hwb. Got to 'Just2Easy' and then click on **J2 blast**. Once there you will be presented with two options:

Spell Blast or Tt Blast.

Spell Blast

Spell Blast is a spelling 'game' where you get to 'race' against children for all over the UK. You collect points as you play and will appear on leader boards for the world, our school and our class. The person who is top of our class at 12:00pm on the **15th July** will receive a prize. To play you must click on '**Go Live**' – it will match you

Week Beginning Monday 6th July 2020

against other players and your 'race' will start. It is set up to start at an easier 'level' – the more you play, the more the game gets to know you and takes you up through levels of difficulty and will challenge you at your own level. If you would like to have a go without any pressure then click on '**Have a practice**' where you will be able to have a go without the added pressure of competition. However, these points will not count to any leader board. I shall be keeping a close eye on the class leader board. Have fun!

Tt Blast

Tt Blast is a maths 'game' where you get to 'race' against children for all over the UK. You collect points as you play and will appear on leader boards for the world, our school and our class. The person who is top of our class at 12:00pm on the **15th July** will receive a prize. To play you must click on '**Go Live**' – it will match you against other players and your 'race' will start. It is set up to start at an easier 'level' – the more you play, the more the game gets to know you and takes you up through levels of difficulty and will challenge you at your own level. If you would like to have a go without any pressure then click on '**Have a practice**' where you will be able to have a go without the added pressure of competition. However, these points will not count to any leader board. I shall be keeping a close eye on the class leader board. Have fun!

WELSH

Below is a copy of the placemat that we use in school. Take some time to revise the questions from the placemat – we have covered these throughout the year. If possible, get someone to ask you the questions – remember to try and extend your answers. We will have some revision sessions when back in school ready for transition. Diolch!
