### Literacy Projects

Tudors—research the Tudors and famous people from that time.

### Expressive Arts

Radio Station Logo—design a logo for our school radio station. Tweet pictures of your entry to @stmarysciw4

## DCF

### Coding

Purple Mash

Instructions for each task can be found on the following page and on the school website. Diolch.

Each day you should aim to:

Spend 30 minutes on **TT Rockstars** or **Numbots** (alternate days) - practice makes perfect! Or another Maths web site from suggested list.

There will be weekly Boys v Girls 'Battles' - results will be posted on Twitter - house points for the winners each week.

Spend 30 minutes reading a chapter using Serial Mash and answering the online quiz.

Spend time working your way through the other tasks.

Most importantly.

Look after your families, be kind and caring and helpful around the house!

Don't forget that you should be experts at times tables by now (from 2 to 12) - if not get practising! Videos on school website.

### **Purple Mash - Serial Mash (Reading)**

Log into Purple Mash, Click on Serial Mash and then 'Diamonds and Emeralds'. Choose a book. Read one chapter at a time and take the online quiz for that chapter. Read at least one chapter a day. Once book complete repeat for another book. Keep working your way through the books in the your section.

### **Purple Mash - 2 Code (Coding)**

Start with 'chimp' (for revision). Work your way through the tasks.

Complete: chimp, gibbon, gorilla and then the debugging challenges.

If stuck use the video icon (top right) for help.

### **Test Papers**

In your pack there are 9 test papers (a mixture of reading, reasoning and procedural). This year we have studied the majority of the concepts that will appear in the procedural test. If there is something that you cannot do or haven't seen before use the internet to see if you can work out how to solve the problem (or remind you of how to do it!)

Start with Procedural 2014 then complete Reading 2013 followed by Reasoning 2015 Repeat in order. Aim to complete one every 5 days.

A list of useful websites is included in this pack. **Keep an eye on our class Twitter account @stmarysciw4 for the answers (every 5 days in the order posted above.)**

### **Independent Learning and Literacy Project**

**Tudors** Use the following internet to research an area of the Tudors and put together a presentation either on HWB PowerPoint or using paper etc. Topic ideas include—Crime and Punishment, food, clothes, explorers etc

Each slide should be detailed and include titles, text and images. Perhaps you could embed some videos for that extra touch. Have fun presenting findings to your family

### **Story Writing**

Write a story set in Tudor times. You may use HWB and write this using word.

You can make the story first ( I, me) or third person (character name, he, she)

Look at the success criteria in your pack to help you.

### **Lego Challenge**

If you have Lego why not try the 30 day lego challenge? The challenge will be posted on @stmarysciw.co.uk

Tweet us with your creations using the #creativity No lego? Try each daily challenge using everyday items from around the house.
