Reading - Purple Mash (Serial Mash)

Lego Challenge

Year 2 Home Learning Pack 2020

Independent Learning and Literacy Projects

DCF

Purple Mash

Instructions for each task can be found on the following page and on the school website. Diolch.

www.stmarysciw.co.uk

Each day you could aim to:

Spend 30 minutes on **TT Rockstars, Numbots or Topmarks Maths games** (alternate days) - practice makes perfect!

Spend 30 minutes reading a chapter using **Serial Mash** and answering the online quiz.

Spend time working your way through the other tasks in your pack.

Most importantly.

Look after your families, be kind and caring and helpful around the house! I will be thinking about you and look forward to seeing how you are getting along. Check twitter, class dojo and the school website regularly for updates and additional tasks.

Purple Mash - Serial Mash (Reading)

Log into Purple Mash, Click on Serial Mash and then 'Diamonds'. Choose a book. Read one chapter at a time and take the online quiz for that chapter. Read at least one chapter a day. Once the book is complete repeat for another book. Keep working your way through the books in the Diamond section, feel free to challenge yourself and read books from the Emeralds section too. Keep a log of the books you have read on your reading log sheet.

Maths and Numeracy

Log onto to 'TTRockstars' to practice your times tables, concentrate on your 2,5 and 10s to begin with then challenge yourselves to learn your 3s and 4s. Use Numbots to practice your addition and subtraction. Log on to Topmarks Maths and select games suitable for your age. You also have Numeracy activities in your pack to be getting on with. Complete your speedy maths sheets daily, time yourself—how long does it take you to complete all 15 questions? Will you beat your time tomorrow?

Test Papers

In your pack there are 6 test papers (a mixture of reading, reasoning and procedural). Have a go at the papers and work with an adult on the bits you find difficult.

Language, Literacy and communication

There are a selection of Literacy tasks in your pack for you to complete, in addition you can access games on Topmarks, this will help you to practice your spelling, punctuation and reading skills. Continue to read lots and enjoy sharing stories with your families. Practise your writing skills by writing shopping lists, letters to your friends and family and writing short stories. Keep practicing your spellings, ask an adult to test you, let me know your score so I can award you house points.

Diary Writing

Keep a diary, write each day about what you have done and how you are feeling, if you would like to share your diary with me I would love to hear all about how you are doing. You can post a picture of your diary on Twitter or class dojo.

Lego Challenge

If you have Lego why not try the lego challenge? Post a picture on Twitter or send it to me via class dojo.

Tweet us with your creations using the #creativity No Lego? Try the challenge using everyday items from around the house.

Keeping in contact

I will aim to post additional challenges and activities for you to complete on twitter and class dojo. Please feel free to contact me on these platforms if there is anything you need support with .
