Message on Class Dojo to ask for password if you have lost your pack.

Diolch.

## Lego Challenge

Reception Home Learning Pack 2020

Have fun at home and do not stress, remember playing boards games, dominoes etc is learning too.

I will keep in touch via our Class Dojo page, all pupils work can be uploaded to their individual portfolios (not sent to me in a message) I will put instructions for this online.

I will upload activities that can be completed at home using our purple mash account. Feel free to explore the website freely.

<https://www.purplemash.com/sch/>

Instructions for each task can be found on the following page and on the school website. Diolch.

[www.stmarysciw.co.uk](http://www.stmarysciw.co.uk)

### Dough disco

- Use online dough disco videos to aid you if needed. Shonette Basson has lots of online videos, she is the founder.
- Use dough to build models, roll, ball etc.
- We start each day with dough disco as it prepares the children for writing.

### Maths

- Use count to a 100 everyday online video.
- Count everyday objects and group them.
- Count in 1's, 2's and 10's both forward and back.
- Measure - using standard and non standard units. How many tins of beans long is daddy etc? Estimate and check.
- Number formation.
- Simple sums - write some down can they complete them independently?

### Language

- Focus on Read, Write Inc sounds, reading and writing particularly formation.
- Write simple sentences using the high frequency words.
- Use word time sheets included within packs to blend words using 'Fred Talk' on the whiteboards.

### Reading

- Encourage reading where possible, two reading books will be included, there are also online resources that you can access to extend your reading library further. I will post links and log on's to these sites
- Enjoy books together, even if you are reading the stories they are still learning. Can you do some activities related to the story? There are always lots of ideas online for popular books.

### Topic

- Use this time to complete activities in other areas of learning such as music, PE, geography and science.
- The Body Coach — Joe Wicks has lots of five minute videos online
- Cutting - use scissors to develop cutting skills, turn the experience into a crafty one possibly? Making cards, pictures etc.

### Lego Challenge

If you have Lego why not try the 30 day lego challenge? The challenge will be posted on @stmarysciw.co.uk  
Tweet us with your creations using the #creativity No lego? Try each daily challenge using everyday items from around the house.
